

TECH RIDER LINEBUG

Line:

- Keyboard (stereo Jack into PA)
- Loop station (stereo Jack into PA)
- Microphone + Voice live3 (XLR in to the PA)
- Omnichord (mono Jack into PA)
- Laptop (stereo Jack into PA)

Christian:

- iPad (stereo Jack into the PA)

Canvas: we bring our own canvas (3m x 2,5m) and hang it on the stage, unless the venue has a canvas in the same size that fits our needs. We bring our own projector too.

We need: A PA-system with at least 6 channels + a microphone stand.

Catering: if the venue offers catering, we would be really happy to have vegan food. If that is not possible, vegetarian is OK :-)
